

Date: June 26, 2025

Certificate of Professional Experience

To Whom It May Concern

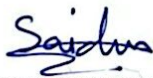

This is to certify that **Ayrin Sultana** worked as a **Research Consultant (Remote Sensing Division)** at **Center for Environmental and Geographic Information Services (CEGIS)** from April 16, 2025 to June 30, 2025 with utmost sincerity and devotion. CEGIS is a scientifically independent Center of Excellence under the Ministry of Water Resources, Government of the People's Republic of Bangladesh, aimed at supporting the management of natural resources for sustainable socio-economic development using integrated environmental analysis, geographic information system, remote sensing, Database and information technology.

During his tenure at CEGIS, **Ayrin Sultana** contributed significantly to a major project that showcased her diverse skill set and dedication. She worked on "*Consultancy services for Land Use Mapping using Satellite Images and Remote Sensing Technology*" where she utilized **ArcGIS** and satellite imagery to extract features from satellite and processed data. Her keen attention to detail and strong coordination with consultants ensured the production of accurate and high-quality maps and reports.

At CEGIS, **Ayrin Sultana** exhibited a profound understanding of various ESRI products, utilizing integrated application tools such as **ArcGIS, ArcGIS Pro, ArcMap, and Arc Toolbox**, among others.

Ayrin Sultana is an honest, hardworking, and organized employee. She can perform well under pressure and can follow through with her commitments. She bears a good moral character. She performs the assigned tasks satisfactorily. Her level of attention, inquisitiveness, sound perception, analytical abilities, strong will power, and dedication to her job deserve the highest appreciation.

I would like to wish her every success in life.
